even though mental illnesses are common and cause great suffering in every part of the world many health workers have a limited understanding about mental health and are less comfortable dealing with mental illness this book is a practical manual for mental health care for the community health worker the primary care nurse the social worker and the primary care doctor particularly in developing countries after giving the reader a basic understanding of mental illness the book goes on to describe more than 30 clinical problems associated with mental illness and uses a problem solving approach to guide the reader through their assessment and management mental health issues as they arise in specific health care contexts are described for example in a refugee camp a school health programme or with people suffering from aids as well as in mental health promotion the final section combines quick reference information for common problems and it also includes chapters for the reader to personalise the manual for a particular location for example by entering local information on

voluntary agencies the names and costs of medicines and words in the local language for emotional symptoms

male alliances partnerships and friendships are fundamental to the hebrew bible this book offers a detailed and explicit exploration of the ways in which shared sexual use of women and women s bodies engenders sustains and nourishes such relationships in the hebrew bible hebrew bible narratives demonstrate that women and women s bodies are not merely used to foster and cultivate male homosociality male friendship and toxic hegemonic masculinity but rather to engender them and make them possible in the first place thiede argues that homosocial bonds between divine and mortal males are part of a continual competition for power rank and honor and that this competition depends on women s bodies for its expression in a final chapter she also explores whether female characters in the hebrew bible use male bodies to form friendships and alliances to advance female power status and rank the book concludes by arguing that women are essential to the toxic biblical hegemonic masculinity we find in the hebrew bible but only because their bodies are used to make it possible in the first place this book is intended for scholars of the hebrew bible as well as advanced undergraduate and graduate students in religious studies women and gender studies masculinity studies queer studies and like fields the book can also be read profitably by lay students of biblical literature seminary students and clergy

this compendium provides researchers and prevention specialists with a set of tools to assess violence related beliefs behaviors and influences as well as to evaluate programs to prevent youth violence if you are new to the field of youth violence prevention and unfamiliar with available measures you may find this compendium to be particularly useful if you are an experienced researcher this compendium may serve as a resource to identify additional measures to assess the factors associated with violence among youths
